PSM II : Professional Scrum Master™ level II Exam Prep

We are glad you have joined us for this course! Here is some information that will help you to navigate your learning platform and locate course content.

Before the first live session please confirm that you can access Zoom:

1. **Percipio users:** The Join live course button is available 15 minutes prior to the start of each class. Please click the Join Live Course button.
2. **Skillport users:** the **Join** link is available 45 minutes prior to the start of each class. Please click the **Live** button**.**
3. If your connection through the Learning Portal is unstable, please ask for the Zoom link in the Q&A.

About the Certification: The PSM II certification demonstrates that you have an advanced level of Scrum mastery. PSM II certificate holders prove that they understand the Scrum Master accountabilities and how a Scrum Team functions.

Prerequisites: Anyone attempting the PSM II should have advanced Scrum knowledge, in-depth Scrum experience and/or have taken the Professional Scrum Master level I (PSM I) course prior to taking this Bootcamp. A PSM I certification is not required.

Recommended Reading:
The Scrum Guide (available here)
- The Scrum Guide is the foundational BOK (Body of Knowledge)

The Nexus Guide (available here)
- The Nexus Guide is the guide to scaling Scrum

The Scrum Competencies (available here)
- Understanding and Applying the Scrum Framework
